

Approved STEM Majors List

Undergraduate Program of Study

- Applied Mathematics
- Artificial Intelligence
- Automation Engineer Technology/Technician
- Automotive Engineer Technician/Technician
- Bioengineering
- Bioinformatics
- Biomedical Engineering
- Biomedical Technology/Technician
- Computational & Applied Mathematics
- Computational Mathematics
- Computational Science
- Computer Engineering Technology
- Computer and Information Systems Security/Information Assurance
- Computer Engineering Technician
- Computer Hardware Engineering
- Computer Hardware Technician
- Computer Hardware Technology
- Computer Information Sciences
- Computer Sciences
- Computer Software Engineering
- Computer Software Engineering
- Computer Software Tech./Technician
- Computer Systems Analysis/Analyst
- Computer Systems Networking & Telecommunication
- Computer Technology/Computer Systems Technology
- Electrical Engineering Tech./Technicians
- Electrical, Electronics & Communications Engineering
- Electrical/Electronics Drafting and Electrical/Electronics CAD/CADD
- Electromechanical & Instrumentation and Maintenance Tech./Technicians
- Electromechanical Engineering
- Electromechanical Technology /Electromechanical Engineering
- Electronics Engineering Technology/Technicians
- Engineering

- Engineering Industrial Management
- Engineering Mechanics
- Engineering Physics/Applied Physics
- Engineering Technology
- Engineering. Science
- Information Technology
- Information Science/Studies
- Instrumentation Technology/Technician
- Mathematical Statistics and Probability
- Mathematics
- Mathematics and Computer Sciences
- Mathematics and Statistics
- Mechanical Engineering
- Mechanical Engineering Related Tech./Technicians
- Mechanical Engineering./Mechanical Technology/Technician
- Mechatronics, Robotics, & Automation Engineering
- Network & System Administration/Administrator
- Physical Sciences
- Physical Sciences Technology/Technicians
- Physics
- Radar Communications & Systems Technology
- Robotics Technology/Technician
- Science Technology/Technicians
- Statistics
- Systems Engineering
- Systems Networking, & LAN/WAN Management/Manager
- Systems Science & Theory
- Telecommunications Integrated Circuit Design
- Telecommunication Engineering
- Theoretical & Mathematical Physics
