FIU Online
FLORIDA INTERNATIONAL UNIVERSITY
**MASTER OF INTERNATIONAL BUSINESS**

**ABOUT THE PROGRAM**

Prepare to take the leap into the global business arena with a Master of International Business from FIU Online. If you already have a significant business background – academic and/or professional – this program will expose you to the emerging realities of conducting business internationally. Beyond learning about international business, you’ll gain skills in leadership, team-building, communication and career preparation through professional development seminars. Unique to the fully online MIB program is a “consultancy” project that enables you to apply your knowledge of international business to a company’s real-world challenges.

The Master of International Business from FIU Online will open doors around the globe. In addition to its standing as a prestigious state university, FIU offers students an MIB program that goes straight to the mechanics of international business. Students will be exposed to key issues in international business management, including relevant social, political, legal, and macroeconomic conditions affecting international business.

This program is delivered in an 8-week format and students take two courses at a time.
