THE BACHELOR OF ARTS IN INFORMATION TECHNOLOGY

ABOUT THE PROGRAM
The Bachelor of Arts in Information Technology broadens options for students who pursue another undergraduate degree. Available as a second degree, the BA in Information Technology program prepares students with the competencies and business skills essential for a career in information technology. The industry-developed curriculum includes core courses in computer networking, operating systems, website construction and management, with the opportunity to choose electives to deepen your knowledge in areas that include network security, mobile app development, and Unix/Linux. Learn from the same top-ranked faculty and IT industry experts that teach on campus. The program is open to any student who is enrolled in another bachelor’s degree program or who already has a bachelor’s degree from an accredited institution, and wants to sharpen their IT skills.
