BACHELOR OF HEALTH SERVICES ADMINISTRATION

ABOUT THE PROGRAM

Our fully online Bachelor of Health Services Administration qualifies graduates for entry-level management positions in a variety of health related organizations or for further education at the graduate level.

FIU's BHSA program is ranked as one of the largest undergraduate health services administration programs in the country, and is accredited by the Southern Association of Colleges and Schools (SACS). The program emphasizes systems engineering and financial management of health organizations, health services research, economics, politics and legal aspects of health systems, and program planning and evaluation. Its curriculum prepares graduates to effectively manage healthcare organizations within an ever-changing, highly technological, multicultural world. Students in our online undergraduate program enjoy tremendous student engagement through interactive technology that offers 24/7 access and support, real-time faculty feedback and a personal success coach to provide one-on-one guidance.
