BACHELOR OF BUSINESS ADMINISTRATION IN INTERNATIONAL BUSINESS

ABOUT THE PROGRAM
If a career in global business interests you, FIU Online has a fully online program just for you. Our Bachelor of Business Administration with an international business concentration provides students with a broad overview of international business principles and information technology. Students learn about the complexities of international trade, including regional trade agreements, supra-national organizations, and foreign exchange systems.

Broaden your cultural perspective and explore the diversity of international business with a fully online BBA in international business degree. This dynamic undergraduate program prepares students to be valuable participants in global business ventures. Through this multidisciplinary program, students learn about conducting business on a global scale, with studies in international business, marketing, finance and trade.
