Florida International University
ABOUT THE PROGRAM

In today’s global environment, applied communication skills have a significant impact on career attainment and success. The Bachelor of Science in Public Relations, Advertising and Applied Communications is an in-demand major for those interested in pursuing careers as public relations, advertising, and/or applied communication officers in fields such as business, government, non-profit organizations, or education. This degree explores a number of disciplines needed for developing and delivering effective content. Students from both around the corner and around the globe can earn their degrees through this fully online program.

Through analyzing communication campaigns in corporate and public media, students can develop and promote creative strategies and creative execution, and employ effective and clear communication in this diverse and customizable program.
